Hi [first name],

We're trying to build up our online business, as you may already know.

Since your feedback was absolutely fantastic, would you mind adding your previous review (listed below for your convenience) and add it as a [platform/Yelp/LinkedIn] review as well? It should be super easy and only take 10 seconds to copy and paste.

Thank you so much. I appreciate your help!

Here is the link: [link to your business on platform/Yelp/LinkedIn]

And here's your Google review: [paste in their review for easy copy and paste]

Sincerely,

[your name]
